

Welcome to our New Student Social!

— Hosted by ASBMB —

ICEBREAKERS!

1st: WOW, POW, CHOW!

Wow- One good thing that happened this week

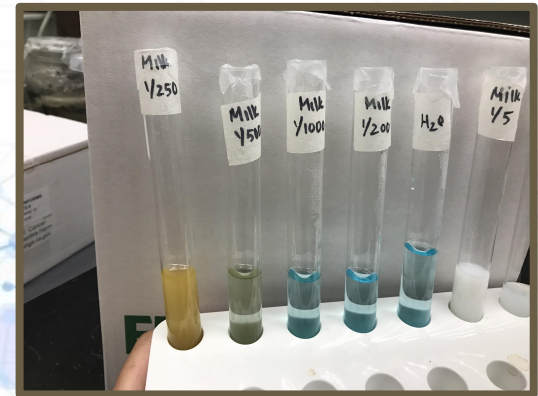

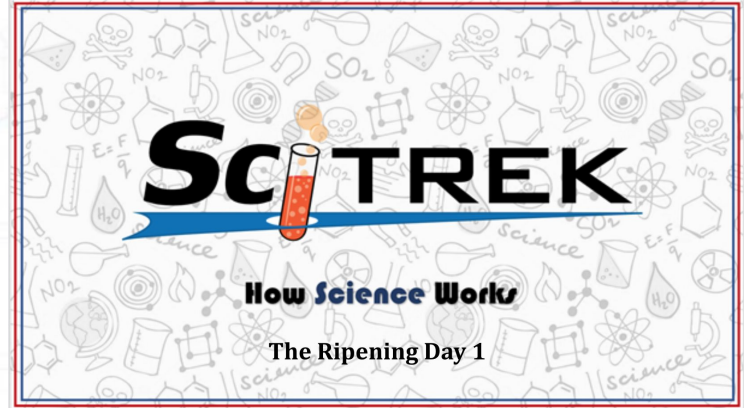

Pow- One negative thing that happened this week

Chow- One food you enjoyed this week

2nd: Never Have I Ever

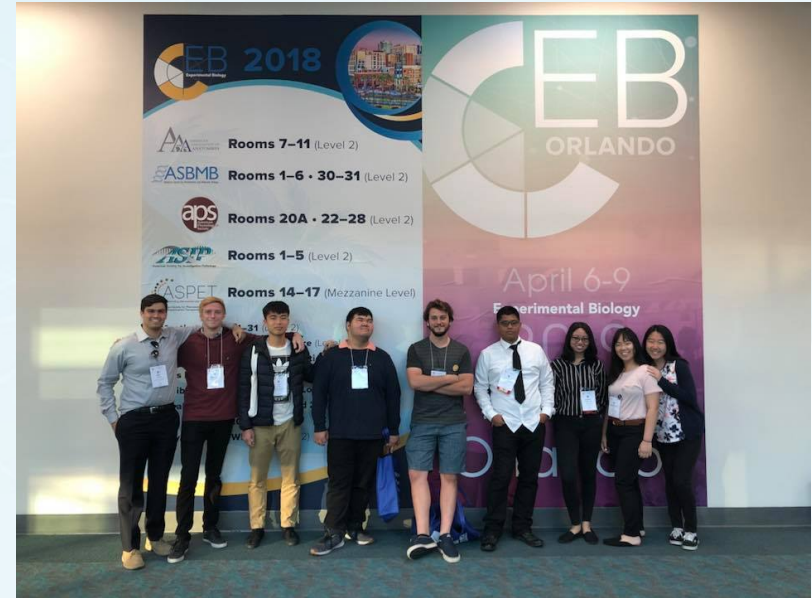

Programs

- Developed a science outreach program for high school students with UCSB's SciTrek to teach scientific concepts and problem solving skills
 - Macromolecules in food and metabolism
- Network with Biotech/bio companies in and around the area and attend lab/company tours to learn about opportunities for jobs and internships
- Big/Little mentorship program
 - Get to know people if would like to have a mentor

ASBMB Annual Meeting in San Diego

- April 4-7 for 2020
- Learn about developments in biochemical and biological research
- Network with biotech and research companies and other ASBMB members.
- Opportunity for (peptide) bonding :)

ASBMB San Diego Trip 2018

Membership

- Open to anyone who wants to learn about biochemistry!
- Benefits
 - Research experience
 - Priority access to rides for lab/company tours
 - 1 free ticket and ride to an off-campus event (lab/company tour, SB outings)
- Membership is optional!
- If you are interested in becoming a member, please fill out a membership form
 - Email us if you have any questions about membership and if you are interested in becoming a member
 - Membership fees will be determined soon!

Scavenger Hunt!

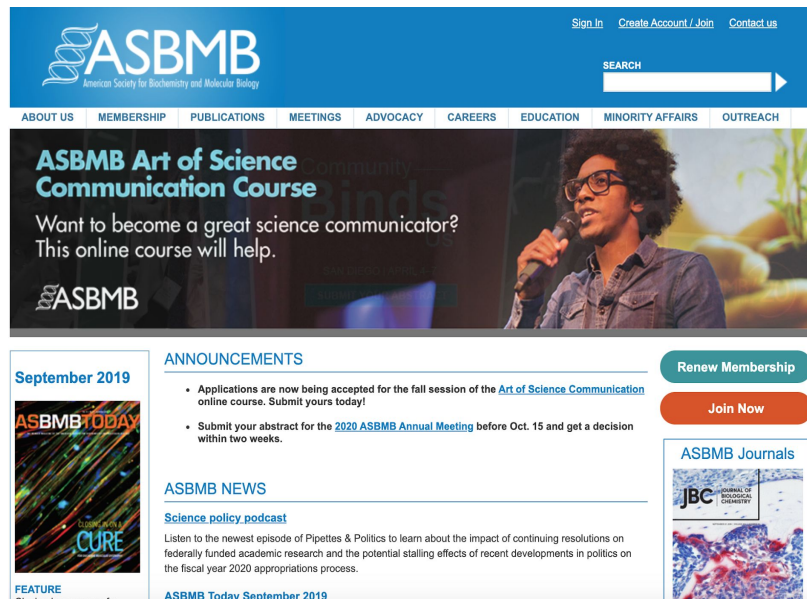

10/5-10/11 follow us on
Instagram for updates
@ucsbasmmb

National ASBMB

ASBMB Benefits

- Free online subscriptions to the Journal of Biological Chemistry (JBC), Molecular & Cellular Proteomics (MCP) and the Journals of Lipid Research (JLR)
- Free subscription to the Society monthly magazine, ASBMB Today
- Eligible for \$400 Travel Awards to attend the ASBMB Annual Meeting and the Undergraduate Student Poster Competition
- Exclusive awards and scholarships for undergraduate research projects
- Election into the ASBMB National Honor Society
- Career Resources - employment, grant and internship opportunities
- If interested, go to ASBMB.org and pay a separate \$10 student membership on their website

The screenshot shows the ASBMB website homepage. At the top is a blue header with the ASBMB logo (a DNA helix) and the text "American Society for Biochemistry and Molecular Biology". To the right of the logo are links for "Sign In", "Create Account / Join", and "Contact Us". Below the header is a navigation bar with links for "ABOUT US", "MEMBERSHIP", "PUBLICATIONS", "MEETINGS", "ADVOCACY", "CAREERS", "EDUCATION", "MINORITY AFFAIRS", and "OUTREACH". A search bar is located on the right side of the header. The main content area features a large banner for the "ASBMB Art of Science Communication Course" with the text "Want to become a great science communicator? This online course will help." and the ASBMB logo. Below the banner, there are three columns of content. The left column is titled "September 2019" and features a cover image of "ASBMB TODAY" magazine with the text "CURE". The middle column is titled "ANNOUNCEMENTS" and contains two bullet points: "Applications are now being accepted for the fall session of the Art of Science Communication online course. Submit yours today!" and "Submit your abstract for the 2020 ASBMB Annual Meeting before Oct. 15 and get a decision within two weeks." The right column is titled "ASBMB JOURNALS" and features a cover image of the "JBC" (Journal of Biological Chemistry) with the text "JBC". At the bottom of the page, there are two buttons: "Renew Membership" and "Join Now".

Connect with us!

Since we are a young club looking to grow, we welcome motivated individuals of all backgrounds, just bring your passion for science!

If you have any questions or are interested in joining and being notified of our events in the future, please fill out the contact form or email us:
asbmbucsbchapter@gmail.com.
